The students will be hosted in bunks at Camp Scatico for the multiple days of the program. All participants must bring sleeping bags, or bedding. We strongly recommend that you ensure your participants bring lots of clothes; as early June weather is unpredictable. They will be immersed in lake and pool most of the time and they will need multiple towels, bathing suits, goggles, sweat pats and sweatshirts. There is no comfort time built in for toughing-it-out as their healthy return to your camp program is a priority. More details will be given on registration.

If it is necessary, transportation pick up at the Rhinebeck train station can be arranged with an extra fee. Call to confirm details
